THREE-STAR PROGRAM
Tennessee Center for Performance Excellence Award Program
Level 1 Award Application Documents

Welcome to the Tennessee Center for Performance Excellence!

Through our partnership with the Tennessee Department of Economic and Community
Development’s Three Star program, you have access to an invaluable resource that will help your
community achieve its goals, set new ones and become a role model for other communities in our
state.

As with the Three Star program, achieving excellence is a key component of the TNCPE mission.
We accomplish this by providing Tennessee organizations access to an application and feedback
process that identifies their strengths and opportunities for improvement. This process is linked to a
four-level award program. Level 1, which you are applying for, is the introductory level. Level 4 is
the highest. As award levels increase, applicants must respond to more sections of the Criteria for
Performance Excellence. These Criteria are the foundation of our program; they describe the char-
acteristics of world-class organizations.

Regardless of your community’s size or how its operations are run, when you go through the
TNCPE evaluation process, the feedback you get will be tailored to address your community’s spe-
cific challenges. Think of it as a free, high-level consultation service!

Your evaluation will be conducted by a team from the TNCPE Board of Examiners. This board is
composed of professional leaders from across the state who represent a variety of industries.

Enclosed are all the materials you need to get started: instructions, the application form and a series
of questions that will help you develop the Community Profile that examiners will use in their
assessment.

We believe the TNCPE program can provide valuable tools that will help you achieve your commu-
nity’s economic development goals. I’m delighted that you’re taking these steps to augment the
work you’ve already put into your Three Star certification.

If you have any questions, please don’t hesitate to contact me.

Sincerely,

Katie

LEVEL 1 AWARD APPLICATION INSTRUCTIONS

To apply for a Level 1 TNCPE Award, you must complete a **Community Profile** and **Award Application Form**. You are also required to submit your Community’s **Strategic Plan**. Send ten copies of each to the TNCPE office:

Tennessee Center for Performance Excellence
2525 Perimeter Place Drive, Suite 122
Nashville, TN 37214-3773

COMMUNITY PROFILE

A Community Profile must be included with your Level 1 application. Writing it is a matter of answering a series of 15 questions, located on the facing page. Once complete, this document will describe how your community operates and the key challenges it faces.

The Community Profile is limited to five pages. You are encouraged to include an organizational chart as well as a glossary of terms and abbreviations used within your community. **The glossary and organizational chart do not count in the overall page limit.**

It’s important to note that this Community Profile is unique to Level 1 applications. As your community continues its quest for excellence by applying for Level 2, 3 or 4 TNCPE Awards, you will be required to complete the Organizational Profile outlined on pages 12 to 14 of the *Criteria for Performance Excellence*, instead of a Community Profile. In addition, your community will be required to respond to more sections of the Criteria.

TNCPE APPLICATION FORM

Ten copies of the application form, found on the last page of this application packet, must accompany the 10 copies of your Organizational Profile. Below you will find details about the information requested in each section of the form.

1. *Applicant*

Provide the official name of the community as it will appear on the award and in publicity, and the city and/or county in which the community is located.

Provide the number of residents served by the applicant community.
2. *Official Contact*

Provide the name, title, mailing address, street address (for courier deliveries), telephone, fax number and e-mail address of the official contact who can provide additional information and arrange a site visit.

3. *One-Sentence Description*

Provide a brief description of your community. This description will be used in conjunction with the Awards Banquet and for publicity purposes.
4. *Ethics Statement and Signature of the Highest Ranking Official*

The applicant's highest ranking official must sign in the space provided, indicating agreement to the terms and conditions stated in the Release Statement. In addition, the highest-ranking official's signature attests that no untrue statement of a material fact is contained in the Application Package and no omission of a material fact has been made that is legally disclosable and affects organizational ethical and legal practices.

STRATEGIC PLAN

In addition to the Community Profile and TNCPE Application Form, you must include 10 copies of your community’s Strategic Plan with your TNCPE application packet.

WHAT’S NEXT?

TNCPE will confirm receipt of your application as soon as it arrives in our office. We will then assign your application to a team of examiners who will begin the assessment process by reviewing your application.

Shortly after your application has been assigned to an examiner team, the team leader will contact you to set the date for a site visit. During this visit, examiners will spend about four hours in your community clarifying and verifying the information you presented in your Community Profile.

The team leader will serve as your liaison with the team for the site visit. He or she will further explain the purpose of the visit and discuss the team’s expectations.

Following the site visit, examiners will compile all of their findings into a Feedback Report that you will receive between four to six weeks after the site visit. You can use the Feedback Report to develop and implement strategic goals, driving your community toward performance excellence.
